

Sixth International Conference on Geological Repositories (ICGR)

Advancing Geological Repositories from Concept to Operation

EXHIBITION DETAILS

Conference Schedule

The Sixth International Conference on Geological Repositories (ICGR) will officially open on 04 April 2022 in Sirkus Hall of Helsinki Congress Paasitorni, Finland. It will adjourn on 07 April 2022, followed by a technical site visit on 08 April 2022.

Exhibitor Fee

The exhibitor fee is EUR 6,000 per booth and optional EUR 2,000 for including your logo in conference and promotional materials. The promotional materials include the swag bags for participants which we are preparing. If you would like to contribute some materials to be included, please let us know. You could also support the conference with an additional contribution above the exhibitor fee if you wish to.

Layout of Exhibition Booths

The exhibition space is 2.5 x 1.5 m² for each booth, which includes one 1.2 m x 0.45 m table and two chairs. For presenting exhibition materials we can provide one or two exhibition boards and a display rack (Fig. 1) upon request.

The schematic furniture with the known parameters (Fig. 2) and the layout of exhibition booths (Fig. 3) are shown in the pictures below.

The exhibition materials could also be placed on the wall in the Sirkus foyer with light self-adhesive labels or static stickers to avoid damaging the wall. Not all walls are suitable for mounting exhibition materials, therefore the amount of places with this option is limited.

You can book exhibition boards and display racks from us, and bring your own totems. If you wish to use any other exhibition equipment, please let us know.

Exhibition Area

The exhibition areas are located near the main conference room, in the Sirkus foyer (www.paasitorni.fi/en/spaces/sirkus-lampio/) and the Karuselli room (www.paasitorni.fi/en/spaces/karuselli/) (Fig. 4).
