

3rd Global Nuclear Science and Engineering Commencement Competition's Terms and Conditions

1. By submitting your contribution to the OECD NEA, you agree to grant the OECD NEA free of charge the right to use it in any manner and on any media, including without limitation, the right to reproduce, publish, adapt, distribute, copy, display or translate. You also grant the OECD NEA the right to licence to others.
2. You agree to take part in any competition publicity if asked to do so, according to the terms of the release form. The prize may only be taken as stated and cannot be changed. There will be no cash alternatives.
3. The OECD NEA does not accept any responsibility for late or lost entries. Proof of sending is not proof of receipt.
4. You must supply full details as required by the registration form and comply with all rules to be eligible for the prize. No responsibility is accepted for ineligible entries or entries made fraudulently.
5. As submissions are received, the OECD NEA will vet all entries for suitability. An international jury will select the winner based on the following criteria: creativity, substance, production value, and overall impact. The submission will be posted on the OECD NEA webpage.
6. The jury's decision is final, and neither the jury nor the OECD NEA will respond to correspondence justifying its decision.
7. If the winning entrant is unable to be contacted after reasonable attempts have been made to do so, the OECD NEA reserves the right to offer the prize to the next best entry.
8. The OECD NEA reserves the right to not select a winner if entries received are judged to be of insufficient quality.
9. Any attempt by a participant to influence the result or subvert the competition will lead to immediate disqualification.
10. The OECD NEA reserves the right to modify or cancel the competition or any of the arrangements, schedules, plans or other items directly or indirectly related to the competition, at any time and for any reason if deemed necessary in its opinion.
11. You waive all claims against the OECD NEA, its personnel and agents arising out of any oral or written publication or republication of any statement made in connection with the present competition, your person or your video entry.
12. You agree to indemnify and hold the OECD NEA, its personnel and agents, harmless from any third party claims for loss, damage, prejudice, liability or expense suffered as a result of or in any manner in connection with your submission, any other of your acts or omissions or any information which you provided.
13. Your participation in the competition, including being selected to receive a prize, in no manner constitutes an endorsement or support by the OECD NEA of your views or aims or of any products or services. You shall not advertise or otherwise claim to have obtained any such endorsement or support. The OECD NEA as well as the OECD name and logo are the property of the OECD NEA and should not be used in any manner whatsoever without the prior consent of the OECD NEA. The OECD NEA must approve in writing any statement, advertisement, press release or similar communication in any media relating to your participation in the competition.
