Bridging Law and Technology: International Workshop for the Deployment of Small Modular Reactors
Stockholm, Sweden

Dear Speaker/Participant,

We are requesting your authorisation to use photographs, audio and video recordings of you at the 2025 Bridging Law and Technology Workshop (the "Event") as well as the presentations, interviews, or information you may present with us at this occasion. All materials will only be used for the purposes of promoting the Event or for the purpose of illustrating or promoting the activities or projects, past, present or future, of the OECD, and for documentation of the workshop events and conclusions.

The OECD is committed to protecting the personal data it processes, in accordance with its Personal Data Protection Rules. Your personal data (name, surname, photograph, likeness, voice and relevant biographical information) may be processed by the OECD solely for the purposes set out above. Under the Rules, you have rights to access and rectify your personal data, as well as to object to its processing, and request erasure in some circumstances. To exercise these rights, please contact SMRWorkshop@oecd-nea.org If you have further queries or complaints related to the processing of your personal data, please contact the Data Protection Officer [dpo@oecd.org]. If you need further assistance in resolving claims related to personal data protection, you can contact the Data Protection Commissioner [dpc@oecd.org].

Sincerely,
Division of Nuclear Law
