INFORMATION SHEET

Bridging Law and Technology: International Workshop for the Deployment of Small Modular Reactors

A Workshop Co-Organised by the
OECD Nuclear Energy Agency (NEA) and the Government of Sweden

Key Information

Dates: Monday 8 December – Wednesday 10 December 2025

Venue: Nalen, Regeringsgatan 74, 111 39, Stockholm, Sweden.

An event Tuesday evening will be held at 7A Posthuset, Vasagatan 28, 111 20 Stockholm, Sweden.

Hotels: Accommodation is available at numerous locations in downtown Stockholm. For convenience, NEA has secured a special booking code for participants at the Haymarket by Scandic, Hötorget 13-15, 111 57 Stockholm, Sweden. The code and specific booking instructions will be shared with registered participants via email or upon request.

If you prefer alternative accommodation, other nearby options include:

- Best Western Kom Hotel Stockholm (500m from Nalen).
- Hobo Hotel (800m from Nalen).
- Villa Dahlia (1km from Nalen).

Please note there is no booking code or discount for these hotels. These are suggestions only; numerous other hotels catering to various budgets are available in central Stockholm. Regardless of your choice, it is recommended to book accommodation early due to demand in Stockholm, as other events, such as the Nobel Prize Ceremony will be taking place at this time.

Agenda: The workshop will include an opening high-level session and five thematic half-day sessions with interactive participation, cross-cutting panels, followed by collaborative discussion sessions and conclusions. The comprehensive programme is complemented by a cocktail reception and an evening dinner, providing valuable opportunities for engagement outside of the formal sessions.

The draft workshop programme is available on the NEA Website Event Page.

Travel

Visa Information

Sweden is part of the Schengen Area. Visa requirements vary depending on your nationality. Please check the specific entry requirements applicable to you well in advance of your travel.

Participants are responsible for ensuring they have the necessary documentation, including any required visas, to enter Sweden. Please consult Visit Sweden and the Swedish Migration Agency for further details and the most current visa requirements. It is advised to start any necessary visa application processes early.

Getting to Stockholm

The main international airport serving Stockholm is Stockholm Arlanda Airport (ARN).

From Arlanda Airport, the city centre (near the venue and suggested hotels) can be reached via:

- Taxi / Ride-Sharing Services: Available directly from the airport terminals.
- Arlanda Express Train: Direct high-speed train to Stockholm Central Station.
- Airport Coaches (Flygbussarna): Regular bus services to Stockholm Central Station.

Stockholm is also accessible via international and domestic rail services arriving at Stockholm Central Station.

Getting to the Venue (Nalen)

Nalen is centrally located at Regeringsgatan 74 in Stockholm. If staying in downtown Stockholm, participants can walk to the venue.

For those staying further out, Nalen is easily accessible via Stockholm's public transport system (SL), including Tunnelbana (metro) and buses. The nearest metro stations are Hötorget, T-Centralen or Östermalmstorg, depending on the line. Stockholm Public Transport information.

Taxis and ride-sharing services are also widely available in Stockholm.

Additional Practical Information

Accessibility

The venue is accessible for wheelchair users. If you require specific accessibility accommodations (including, but not limited to, wheelchair access arrangements, hearing assistance, visual aids, or other support) to facilitate your participation, please inform the organisers as early as possible by contacting SMRWorkshop@oecd-nea.org. Advance notice allows time to make the necessary arrangements to support your needs effectively.

Dietary Needs

If you have any dietary restrictions or requirements (e.g., allergies, vegetarian, vegan, gluten-free, religious requirements), please notify the organisers via SMRWorkshop@oecd-nea.org in advance, preferably during registration or as soon as possible thereafter. This will help to ensure the caterers can accommodate your needs during workshop breaks and any included meals.

Restaurants

Aside from the cocktail and dinner events included in the workshop, central Stockholm offers a wide variety of restaurants, cafes and bars near the Nalen venue and the suggested hotel areas. Options range from traditional Swedish cuisine to international dining, covering various price points. Participants can easily find suitable options using online maps and other guidebooks. Additionally, visiting Stockholm in early December often coincides with the appearance of traditional seasonal markets (Julmarknader). More information is available online.

Currency

The official currency of Sweden is the Swedish Krona. While retailers and ATMs in Sweden typically accept cards from foreign banks, please keep this in mind if you plan to order cash for your trip.

Weather

The typical average temperatures in Stockholm in early December is -3° to 1° Celsius (27° to 34° Fahrenheit), with the possibility for moderate precipitation.

Emergencies

The emergency number for police, ambulance and fire services in Sweden is 112. Non-emergency medical services and healthcare information can be reached at 1177 (Swedish numbers only), 1177.se or +46 771 1177 00. For more information on emergency and non-emergency medical services for visitors please here for more information.

Contacts

For all questions regarding the workshop content and logistics, please contact the organisers via the workshop email:

SMRWorkshop@oecd-nea.org
